US\$1.2 million of new AIS Orders Received

Software Radio Technology plc ("SRT" or the "Company") is pleased to announce that in the last week it has received new orders from existing customers for its AIS Class A product worth a total of US\$1.2 million.

Simon Tucker, SRT's Chief Executive Officer, said: "Earlier this month we reported that our order book stood at US\$6.6 million which we are now working to deliver to our customers. These new orders worth US\$1.2m continue to demonstrate the growing demand for AIS in the global market place."
