

**SOFTWARE RADIO TECHNOLOGY PLC**  
("SRT" or the "Company")

SRT is pleased to announce the receipt of US\$525,000 in respect of AIS technology licence royalties. The payment has been received from a long standing customer for the licence of SRT's first generation AIS technology.

The full amount of the payment will be recognised as profit during the first half of the financial year.

Simon Tucker, CEO of SRT, said: "Our technologies and global customer network continue to generate unanticipated opportunities and revenues. This is one such case."
